Dear Friends,

On **Sunday, June 16, 2019**, Waggin' Trails Recue Foundation will host its tenth annual Wags N Wine event, a wine and food tasting mega-party at the beautiful, **Pasea Hotel and Spa, Huntington Beach**. Funds advance the rescue efforts of the Waggin' Trails Rescue Foundation. Wags N-Wine is a lively afternoon event with hundreds of attendees, food and wine, beer tasting, photographers, press presence, live music, and both a silent and live auction. **Your fully tax-deductible donation of products, services, or monetary contribution is gratefully accepted and appreciated.**

Many of our dogs have been abandoned, lost, forgotten, left behind, or are simply roaming the streets to survive. Most end up in overcrowded California shelters where they wait to be saved. Unfortunately, our California shelters cannot keep them all long enough to be adopted and way too many of these beautiful, adoptable animals are euthanized each day to make room for more. The cycle continues. Waggin' Trails Rescue Foundation is committed to making a difference.

The problem of homeless animals in California is never ending. We help by partnering with local like-minded humane societies and rescues in Oregon, Washington and Western Canada where overcrowding is much less severe and animals are more readily adopted. We transport suitable animals to these rescues where they are welcomed and loved. Once they arrive, our California animals normally reside in foster care for a short time while the rescue matches them with their perfect forever family. We ensure that our partners' adoption standards are exemplary, so that the animals that we transport are safe, secure and in the best possible hands.

Since inception in 2012, we are proud to share that we have rescued and helped rehome hundreds of animals. With the help of great sponsors like you, our program has flourished, and last year alone we were able to rescue and rehome 350 beautiful deserving animals. Please help us exceed that goal this year!

"We rely heavily on and thank our rescue partners like Waggin Trails Rescue Foundation to help free up shelter space when the need becomes urgent due to local emergencies like the recent Northern California fires. "
